WHY BUY FROM DANISIK MEDICAL?

- (1) Thorough Inspection by Our Technical Team
- (2) Transparent Pricing
- (3) Years of Experience and Expertise in Medical Technology
- (4) Sustainability through Reuse of Quality Equipment

| QUALITY USED MEDICAL EQUIPMENT

Since our establishment in 2008, Danisik Medical has become a **trusted partner in the medical technology industry**. As a German company, we embody **precision, quality, and reliability** – values that are crucial in the world of medical technology.

However, our mission goes beyond mere trade. In a world where access to **high-quality medical care is still not a given**, we are committed to bridging this gap. By selling **high-quality used medical equipment**, we contribute to equipping health-care facilities **worldwide with top-notch technology – and all at fair terms**.

**OUR GOAL IS NOT JUST TO SELL
MEDICAL EQUIPMENT.**

IT IS OUR CALLING TO FACILITATE
GLOBAL ACCESS TO TOP-TIER
MEDICAL TECHNOLOGY.

CERTIFIED DEVICES & COMPETITIVE PRICES

RELIABILITY AND SATISFACTION ARE OUR TOP PRIORITY

In the field of medical technology, it is essential that each device not only functions but also **operates reliably and precisely**. At Danisik Medical, we have **deeply integrated this principle into our processes**. When a device arrives at our facility, a **detailed and thorough testing process begins**.

At the end of this meticulous and device-specific testing process, stands Danisik Medical's guarantee: **Every device leaving our facility not only functions but also meets the highest standards of reliability and precision**.

However, reliability **doesn't have to be expensive**. We take pride in offering these high-quality devices **at attractive prices**, without compromising on reliability or performance. With us, you get not only top-tier medical technology but also **the best value for your money**.

MORE THAN JUST SALES

Our Comprehensive Services

| FROM EXPERT PACKAGING TO INSTALLATION

AT DANISIK MEDICAL, YOU GET THE FULL PACKAGE.

The quality of a medical device is not only reflected in its function but also **in the care with which it is handled, packaged, and delivered.**

(1) EXPERT PACKAGING FOR WORLDWIDE SHIPPING:

Medical technology is often delicate and deserves packaging that both **protects it and ensures compliance with international shipping standards.** At Danisik Medical, we ensure that every device arrives **safely and intact regardless of the destination,** whether it's by air, sea, or land. Our **worldwide shipping** ensures that no matter where you are, you can always rely on the quality of Danisik Medical.

(2) INSTALLATION:

Not every device is the same. Particularly complex equipment such as **X-ray or angiography devices require specialized knowledge** and experience for proper installation. Our technicians are trained for such highly specialized equipment. However, even before installation, **we are there for you during the planning phase.** We provide guidance and support to ensure that the installation site is optimally prepared, and the **installation proceeds smoothly.** This way, we guarantee that everything is **perfectly installed and ready to operate at the highest standard.**

SELECTION & FAST DELIVERY

Diverse Selection Meets Efficiency

| DIVERSE SELECTION MEETS EFFICIENCY

ALWAYS THE RIGHT DEVICE AT HAND, EXACTLY WHERE YOU NEED IT.

We understand the importance for healthcare facilities to respond **quickly and flexibly** to changing healthcare demands. That's why we place great emphasis on maintaining a **wide range of medical equipment in stock**. From basic equipment to **specialized instruments**, you'll find **exactly what you're looking for with us**.

We know the value **of time in medicine**. Therefore, with our optimized logistics system, we **guarantee swift and seamless delivery**. Whether you operate domestically or internationally, we ensure **the prompt delivery of your equipment**, so you can continue your important work **without interruption**.

**BECAUSE FOR US, ONE THING
ALWAYS TAKES CENTER STAGE:**

**YOUR NEEDS AND
YOUR SATISFACTION.**

LONG-TERM PARTNERSHIP & AFTER-SALES SUPPORT

| MORE THAN JUST A SELLER - WE ARE YOUR PARTNER

Purchasing a medical device from Danisik Medical marks the beginning of a **significant relationship**. However, our support extends far beyond the sale. With our comprehensive **after-sales service**, you can **rely on us even after the purchase**. Our goal is to establish a **long-term partnership** with you. Your success is our success.
